

## Top 5 Sport games for Android

Android is the most popular mobile operating system powering more than 70% of smartphone & tablet market in 2022 worldwide. There are a lot of great games for Android which you can play at party, school breaks, in the bus and pretty much everywhere in your mobile phone.

Today we will give you Top 5, the best Android sport games you can play on your mobile!

### Winning Eleven 2012

Winning Eleven 2012 may be really old game but even in 2022 it is very popular among players and gamers. It features unique, very fun gameplay, still good enough graphics, a lot of pro football players, original sounds and super high quality game physics.

You can download Winning Eleven 2012 apk:

<https://apkplaygame.com/sport/winning-eleven-2012/>

As it is already quite dated app, it isn't available in Google play but you can download WE 2012 apk from Apkplaygame – a free Android gaming site which has many legacy games for free.

## FIFA Mobile

Another good sports game for soccer lovers on Android is FIFA Mobile Soccer by EA Sports. It is one of the latest big football games for mobile and you can enjoy with it on Android. The game features high quality graphics, online multiplayer mode, all modern players & clubs, lots of cool features and original football sounds and licensed songs from FIFA World Cup and UEFA Champions League.

It is one of the most popular football games by EA and probably the most popular soccer game on mobile for now. It requires active internet connection and does have some in-app purchases but other than that it is really great game. You can download it for free from Google Play Store.

## 8 Ball Pool

Now its time for non-football sports game on Android! 8 Ball Pool is the most popular billiards game for Android which has both online and offline modes. You can play this cool game with your friends in online multiplayer mode or you can challenge top players from all over the world.

8 Ball Pool is very fun to play, yet quite challenging game which you can play at any place and time thanks to its short matches and fast gameplay. Even though billiards games aren't very popular on mobile, 8 Ball Pool is one of the most played game on Android and its popularity is expected to grow even more in 2023.

You can download it for free from Play Store.

## NBA 2K18

If you like basketball (and who doesn't?) then NBA 2K18 may be your next favorite basketball game on Android. Even though it is already 4 years old game it is still one of the best sports game on Android featuring great visuals, FHD graphics, realistic gameplay, real NBA players from Pro league and authentic sounds.

The game was developed by 2K games for PC, PS4 and Xbox but its popularity made developers decide to publish 2K18 on Android and iOS too.

You can still play online features and tournaments but if you don't have active internet connection you can play it offline. As it is high-end game, the game is more than 2Gb in size and requires a powerful device to run without lagging.

You can download NBA 2K18 from PlayStore, it is a paid game.

## Ice Rage: Hockey

Ice Rage Hockey is another great sports game for Android. Even though it is a tiny game, it can bring you hours of fun and joy!

You play as a tiny ice hockey player in a 1v1 match. You can play it with system using 3 different difficulty levels or much better – play it with your friends, in the same device! Yes, you read it right, you & your buddy can play Ice Rage Hockey in one device using split screen and separate controls display.

Playing it is very fun with friends and you can have a lot of fun with cheering gameplay, nice sounds, great graphics and super gameplay which will leave you entertained and happy for hours!

Ice Rage is available in Play Store and it has paid premium version as well as free, ad monetized version. Both offer same gameplay and similar fun experience!

We hope you enjoyed this list, all this Android games are hand-picked and are available as an apk or in Google Play Store. Most of them can also be found for iOS and iPhone in Apple's App Store.
